PETITION UNDER 37 C.F.R. §1.53(e)

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The U.S. Patent & Trademark Office issued a Notice to File Missing Parts of Non-Provisional Application on June 15, 2004 in the above-referenced patent application. The Notice alleged that the patent application was filed with the omission of page 45 of the specification.

With this petition, the Applicants contend that the allegedly omitted page 45 of the specification was in fact deposited in the U.S. Patent & Trademark Office with the patent application papers on the filing date, July 28, 2003.

Applicants respectfully submit that the fact that page 45 of the specification was deposited with the patent application papers is hereby established in view of the evidentiary documents that accompany this petition in Exhibits A, B, C and D.
